At 12:40 a.m. on 16 February 1951, a special coach carrying about 20 Soviet officers, including 3 generals was coupled to a train which left the Bucharest-North railroad station toward Arad (R 16/U 16). The coach was guarded by Rumanian Militia personnel. At the Radna (R 16/U 34) railroad station the Soviet officers boarded a special train which subsequently departed, probably toward Timisoara (R 16/T 91).
